

# MACQUARIE BUSINESS PARK Community Walkathon

Thursday 17th Oct  
Noon onwards

## GooseChase FAQs:

### What is GooseChase and do I need it for the Walkathon?

GooseChase is an app where missions are loaded onto it and your team has to walk around the Business Park, complete as many missions as you can in the time frame to earn points and learn more about the other businesses in the Park. Only the designated team leader needs to download the app for the day.

### How do I get Goosechase?

Goosechase is available on both the App Store and Google Play and is free to download and use.

### Do I have to form a team?

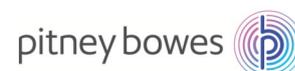

On top of a fundraising event, this is also a team building and networking opportunity so we highly encourage you to complete the missions in teams of 4. Bonus points will be awarded for creative team names.

### How do I register on GooseChase?

Only the team leader needs to register in the app and the instructions to do this are on the Team Registration Info Sheet.

### Who do I contact if I'm having trouble signing up with GooseChase?

Bethany Smith from United Way Australia can help you with any issues you are experiencing. Just send her an email at [bethany.smith@unitedway.com.au](mailto:bethany.smith@unitedway.com.au).

# MACQUARIE BUSINESS PARK Community Walkathon

Thursday 17th Oct  
Noon onwards

## GooseChase FAQs:

### What do I do on the day?

You will have everything you need before the day, so all you need to do is be at Johnson & Johnson at 12pm for the safety briefing before the game goes live. Bring your bib which you will receive beforehand from your United Way rep, make sure your team is together and the leader has the app downloaded and ready to go and have fun! Don't forget a hat and a water bottle.

### What do I do when the game starts?

Visit the sites in the order they appear on your map. Complete the missions for each site and don't forget to check in as well. There will be volunteers at each site to help you. The more missions you complete, the more points you'll get. Bonus points will be awarded for creative submissions! Keep an eye out for bonus missions that will be released throughout the game, and remember that not all missions are linked to an event site.

### What about when the game is over?

The game finishes at 2pm and everyone must be back at Johnson & Johnson by then. You will not be able to submit any more answers on GooseChase once the clock hits 2pm. Raffle prizes, prizes for the winners and a sausage sizzle will be ready and waiting for you.

### What happens if there was more than 4 people in my team?

Only teams of 4 or less are eligible to claim the trophy or win the prizes. Though you will still be eligible if to win in the raffle if you have tickets.
