

MACQUARIE PARK BUSINESS COMMUNITY PARTNERSHIP PRESENTS:

Help us kick illiteracy out of the park!

Strengthening our Community, Together

The Macquarie Park Business Community Partnership is a vibrant collaboration of businesses helping local young people reach their potential through United Way's ReadLearnSucceed program.

Thanks to this unique initiative, this year more than 700 children aged 0-5 will receive free books and reading resources, while 350 young adults will be supported to transition to work or higher education.

And together, we can achieve even more!

About the Community Cup

Following on from the success of our inaugural United Way Cup in 2019, we're back for another year of 'friendly' competition, offering staff a fun way to connect with local businesses and the community while helping raise vital funds.

Why should you participate?

It's your chance to:

- Join other local businesses giving back to the community in which they work
- Raise funds for local children's literacy
- Get to know your business neighbourhood better
- Network with other local businesses
- Kick up a storm with your colleagues
- Be the Champion of your workplace (and community) by bringing home the United Way Community Cup!

Game rules

The Community Cup is a knockout soccer tournament. You can register a six-a-side team for \$2500. In the spirit of friendly competition, teams must be mixed.

Where: Christie Park, Macquarie Park

When: Thursday 7th May, 2020

Contact: marla.bozic@unitedway.com.au to express your interest.
