

MACQUARIE PARK BUSINESS COMMUNITY PARTNERSHIP PRESENTS:

Join our virtual gameshow competition to kick illiteracy out of the park!

Just because we can't face-off on the field doesn't mean we can't enjoy a little healthy competition from the comfort of home to bring books to local children.

This year, your gender-diverse team will compete in a one hour game show style event which includes a series of challenges such as brain teasers and physical feats competing for bragging rights and a trophy.

Why your support matters

In 2020, the Macquarie Park Business Community Partnership is supporting more than 600 children aged 0-5 to receive free books and reading resources, and a further 350 young adults to transition to work or higher education. **That's an incredible testament to the community impact we can achieve together.** But to continue this life-changing work, we need your help.

Please sign your team up to compete for the glory of our first (and hopefully last!) virtual Macquarie Community Cup, and help create real change.

Event details

Thursday, 28th May, 12:30m –1:30pm
