

MACQUARIE PARK BUSINESS

# Community Walkathon 2020

Step up to support children and youth in your local community!

## Strengthening our Community

The Macquarie Park Business Community Partnership is a vibrant collaboration of corporations helping local young people reach their potential.

So far, the initiative has delivered thousands of books and learning resources to children aged 0-5, while over 650 young adults have received help to transition to work or higher education.

To keep up this incredible work, we need heroes from the local business community to step up by joining the 2020 Walkathon!

## About the Community Walkathon

The Walkathon is a flexible course of up to 7km around Macquarie Park with fun activities along the way, finishing with a sausage sizzle on the lawns of Johnson & Johnson.

## Join the Walkathon for your chance to:

- Join other local businesses giving back to the community in which we work
- Raise funds for local children's literacy
- Get to know our neighbourhood business district better
- Have a fun afternoon out with colleagues

And there's no fitness prerequisite – you choose the distance you'd like to walk!

## How much will it cost?

For \$2,500, you can register 16 participants in this fun walk and help bring books and the chance to thrive to more local kids!

To register or find out more, please contact: [marla.bozic@unitedway.com.au](mailto:marla.bozic@unitedway.com.au)

You can also enquire about the May 2020 United Way Community Cup, a soccer event you don't want to miss!

## EVENT DETAILS:

### When:

Thurs 3rd September 2020, 12pm onwards
